Purpose

This workshop is designed to help you understand how to write a funding bid and particularly:

- What funders need to know
- Manual and online application forms
- What if there isn't an application form

What do funders need to know?

- Who you are and background
- What do you do and where
- Who do you exist to help and what are their needs
- How much funding do you need, what for and for how long
- When do you plan to start

What do funders need to know (cont)?

- How do you know the project is needed
- Have you done it before – new or existing
- Monitoring - Outputs
- Evaluation - Outcomes
- What other funding bids have you submitted to complete the project

Manual or online application forms

- Online forms – care re saving
- Open Henry Smith application form
- [REVENUEGRANTAPPLICATIONFORM](#)
- Check forms

What if there isn't an application form?

- Help?
- Use a template

Questions?

The slide features decorative elements: a light green curved shape at the top, a darker green curved shape on the right side, and a grey curved shape at the bottom left.

Thank you
